

"It matters how I present myself when I represent more than myself."

As a member of the Boardworks Diving Academy Society, I adopt the Diving Plongeon Canada and BC Diving Conduct Policies in their entirety, to prevent and address mistreatment in sport. All members of the Academy must follow the BC Diving Conduct Policy with Disciplinary Procedures.

****This Code applies to all organizational participants****

As a parent/legal guardian representing the Academy, I will:

1. Embrace the highest ideals of sportsmanship, ethical conduct, and fair play.
2. Show courtesy and respect to the Board, athletes, officials, other parents, and coaches at all times.
3. Remember that children participate in sport for their enjoyment not ours.
4. Encourage my child to honor their commitment and make every effort for them to participate with full capabilities.
5. Focus on my child's efforts and performance rather than whether they win or lose.
6. Never criticize, ridicule, or yell at a coach, official, volunteer, or child.
7. Support the coaching staff in public always, and refrain from undermining their authority or criticizing them. I will approach coaches in private to discuss concerns or suggestions related to my child.
8. Positively represent the Academy with fairness, honesty, integrity, and respect on social media, as a spectator, and/or as a volunteer.
9. Support all efforts to remove verbal and physical abuse, coercion, intimidation, and sarcasm.
10. Obtain permission from management prior to reaching out to any organization in the name of the Academy.
